

# Sweet Substitution

Capo 5

\*chords relative to capo\*

Verse1:D      D/F#                  D/C#    D/G  
Once perfection came from heaven down  
D      D/F#                  D/C#    D/G  
Word became flesh while angels surround  
D                  D/F#                  D/C#    D/G  
He walked and lived through painful years  
D                  D/F#                  D/C#    D/G  
And purchased pardon for our lives here

Chorus:                  G/B      C    D/F#    G  
You treat me as if I'd lived His life  
                                G/B    C      D/F#    G  
You look at me as if sin had died  
                                G/B      C                  D/F#      G  
And therefore, no condemnation shall come over me  
                                G/B      C      D/F#    G      G/B    C    D/F#    G  
I'm a son, I'm an heir, I'm a child of the King

Verse2: Now its sweet substitution overwhelming me  
You in my place You for me  
Your life Your death have been given to me  
Now I can live in liberty

Bridge:                  Em                  C                  D  
Now my heart lifts this offering  
Em    C                  D  
I will live for my king  
Em    C                  D  
Walk worthy of this call on me  
Em                  C                  D  
Pursue Your righteousness with everything
